

Flowers

Maastricht Aachen Airport

Maastricht Aachen Airport is a strategically located cargo hub in the heart of Europe, serving the Netherlands, Belgium and Germany as a gateway for efficient air cargo transport. MAA provides direct access to Europe's largest flower markets and over 70 million consumers within a 200 km radius. With our specialized infrastructure and strategic partnerships, we are committed to delivering the highest standards for handling perishable floral products

Key advantages

Why choose MST?

- 24/7 Operational Flexibility
- Temperature-Controlled Infrastructure
- Fast & Efficient Customs Processing
- Strategic Location - 2 hours to Aalsmeer, Naaldwijk & FloraHolland

Modern Cargo Infrastructure

- Constant monitoring to preserve optimal conditions for each shipment
- No slots restrictions
- Full 5th Air freedom
- Dedicated storage areas for temperature sensitive perishables
- Custom Clearance: On-site customs expedite clearance processes, reducing delivery times
- Phytosanitary import inspections for flowers performed directly at MAA

Core services & expertises

Key Partnerships

- Collaborates with leading cargo airlines and logistics providers to ensure reliable service.
- Works with freight forwarders to offer tailored solutions for every shipment.

Digital Innovation

- Investments in automated cargo systems improve efficiency and accuracy.
- Real-time tracking enhances visibility across the supply chain

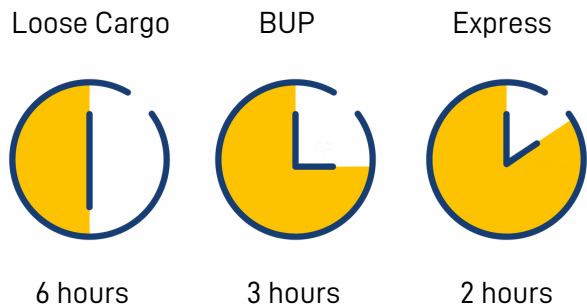

Specialized Cargo Handling

In addition to flowers, MST excels at handling a wide range of cargo, including:

- Temperature Controlled Goods: Pharmaceuticals, perishables, and chemicals.
- E-commerce: Efficient processing of high volume, time sensitive shipments.
- Oversized Freight: Industrial machinery, vehicles and aircraft parts.
- Live Animals: Expertise in safely transporting livestock and other animals.

Unbeatable cargo handling performance

Handling time ATA +

Transfer time to final destination
BUP

	Handling	Transfer	At destination ATA +
AMS	3 hrs	2,5 hrs	5, 5 hrs
LGG	3 hrs	0,5 hrs	3,5 hrs
FRA	3 hrs	3 hrs	6 hrs
CDG	3 hrs	4 hrs	7 hrs

Developments

Future expansions of the services

- In-House Dedicated Trucking Service. Seamless and secure transfer between MAA and AMS or other key floral destinations
- FlowerWatch Performance Program. End-to-end monitoring from tarmac to delivery
