

Terminal Handling Charges

Effective per January 1st 2027

General

All handling tariffs described in this document are subject to the General Terms and Conditions of Maastricht Aachen Airport (MAA). These conditions apply to all services rendered and form an integral part of the agreement between the customer and MAA. By making use of our terminal handling services, the customer acknowledges and accepts these terms.

The full and most recent version of the General Terms and Conditions is available on the MAA website: <https://www.maa.nl/voorwaarden/>

All charges shall be paid prior to the departure of the cargo, unless otherwise agreed in writing by MAA. Any alternative payment arrangement, including advance payment schedules or periodic invoicing, may be made conditional upon the customer providing security satisfactory to MAA, including but not limited to a bank guarantee or bank deposit.

Other

On all services provided by Maastricht Aachen Airport B.V, the "Terminal Handling Charges" tariff will be applicable as from the 1st of January of each calendar year.

The rates of the handling charges are in euros and excluding VAT. All rates expressed per kilogram ('kg') are calculated based on chargeable weight, unless explicitly stated otherwise. In case gross weight exceeds chargeable weight, gross weight will be applied.

Services not listed in the Terminal Handling Charges can be discussed and will be invoiced at costs + 15%.

This price list forms part of a series of price lists that together cover all services provided. The full set can be found on www.mstcargo.com/charges/
